Our Programs

[1]

The St. Charles City-County Library Foundation is committed to supporting programs that take the services of our talented librarians outside of traditional Library experience and into the community. Through our funding, outreach and engagement, the Foundation will educate the county on services and programs offered by the Library and bring people into our branches.

The Storybook Walk **[2]** provides a new outdoor adventure that champions family connection, early childhood development, and health and wellness. Stories are hand-picked by library staff with a child's enjoyment in mind. Pages are posted at several stations along a trail, allowing families and friends to enjoy a story as they walk the path and take in the scenery. Learn more... [2]
