LIBRARY FOUNDATION

BOOKS
TO YOU

BOOKS TO YOU

Sponsored by the St. Charles City-County Library Foundation,

Books to You provides publications and other materials to residents in St. Charles County, along with another important benefit: interaction.

People who are unable to come to the library due to disability, illness, or permanent injury, often experience a sense of isolation and can feel disengaged from the community. Having a Books to You Home Visit Specialist stop by to visit, talk, listen, and care makes a difference. Through reading and regular interaction with our volunteers we improve the quality of life for many in our community and promote lifelong learning.

THINGS TO KNOW

ABOUT

BOOKS TO YOU:

A fresh collection of library materials including large print books, DVDs, and other items is delivered to residential facilities and individual homebound patrons about every month.

Individuals living at a residential facility, who are unable to get to the library may also request one-on-one or small group delivery.

We also offer volunteer-led Book Discussion Groups at select residential facilities.

Books to You is volunteer driven, so contact us today if you're interested in one of the following positions:

- Home Visit Specialist: delivering materials to homebound individuals
- Book Discussion Group Leader: for select residential centers

"You choose the books yourself, so you can broaden your mind. If you're homebound, you're not able to do too much, so reading is a good thing."
