

Imagine Gala 2023

Imagine Gala 2023

Mark your calendar for the next Imagine Gala!

Saturday, October 12, 2024

Through the kindness of our Sponsors, donors, and attendees, the Imagine Gala on September 30, 2023, grossed more than \$106,000 to enhance Library Services by helping fund Stay Sharp Kits, Library to You bags, Storybook Walks, Born to Read Kits, Read-a-long books, large-scale events, and much more!

A big THANK YOU to our Gala chairs Emily, Ian, and Alexander Schroen!

Thank you!

Dearest Gentle Reader,

We would be delighted for you to celebrate the St. Charles City-County Library Foundation and the community we support. The Regency era comes to life during the 2023 Imagine Gala! Prepare to wear your Whistledown-worthy attire and secure your early bird tickets! (Don't wish to wear period attire? No worries! Wear cocktail attire and enjoy the evening!)

Our mission:

We raise funds beyond tax dollar support to build a stronger library in service to our community.

The Library Foundation partners with corporate and private donors to fund projects like:

- * Born to Read kits so babies and their new mothers receive their first board book and access to their first Library card
- * Stay Sharp Kits for families who have someone experiencing memory loss
- * Storybook Walks that promote literacy and wellness in our local parks
- * Library to You bags to aid seniors in transporting their books
- * Enhanced Library programming
- * and so much more!
